WaterLink® Connect 1 Software for Transferring your Water Testing Results

Connect your meter. Collect your results.

WaterLink® Connect 1 Software

Install **WaterLink Connect 1** Software to connect a supported water testing meter to your Windows 7 or Windows 10 PC via USB cable. Once a test is complete, results can be transferred to one of the additional Water Analysis Software programs such as **DataMate 9**, **DataMate 10**, and other **private label programs** (check with your chemical provider).

Supported Water Testing Meters

- WaterLink® Spin
- WaterLink® Spin Touch® (<http://www.waterlinkspintouch.com/>)

*Result collection methods vary based on meter capabilities.
